REALKINETIC

YOUR POTENTIAL REALIZED

Kinda

```
// Enum  
var DaysEnum = Object.freeze({monday:1,  
                                "tuesday":2,  
                                "wednesday":3  
                                });
```

```
DaysEnum.monday = 33;  
// Throws an error in strict mode
```

```
console.log(DaysEnum.tuesday);  
// expected output: 2
```
