REALKINETIC

YOUR POTENTIAL REALIZED

- This is a sum or union type
(specifically a boolean type in this case).
- You may also see: tagged or disjoint
- unions or variant types

```
type Msg = Increment | Decrement
```

-- Sum Types can have as many options as you'd like

```
type Cars
  = Mustang
  | Camero
  | Taurus
  | Fit
  | Focus
```

-- With Boolean there are 2 possible options

```
type Bool
  = False
  | True
```

-- This is a sum or union type
 (specifically a boolean type in this case).
-- You may also see: tagged or disjoint
