```elm
bad : Int
bad =
    let
        twentyFour =
            3 * 8

        twentyFour =
            20 + 4
    in
        twentyFour
```

You just can't reassign
the same variable
