```
bad : Int
bad =
    let
        twentyFour =
            3 * 8

        twentyFour =
            20 + 4
    in
        twentyFour
```

This will not compile. You will get this message:
